## November 16th — Meeting Day: **Thanksgiving**

### **Colossians 1:11-20 Overview:**

Paul encourages the church in Colossae to linger in the strength already within and to be thankful for all that it means to belong to God: freedom from the compulsion to be like anything other than our unique divine image, forgiveness, and purpose. And Jesus, through whom everything that exists was birthed, in whom God is delighted to dwell—this Jesus is also delighted to dwell in you.
